Hi again. At some point down the road you will probably consider using an agent to view properties.

To that end, I thought I would include some links that give you additional information about our company. The Q&A link addresses commonly asked questions about buying a home. The "Benefits of working with us" link should give you an idea of why so many buyers choose to work with us exclusively. Find out why our clients have confidence in our ability to fulfill their real estate needs. If you have any questions, please don't hesitate to call or email. Thank you and have a great day!

Hello again. As you no doubt have heard, lending guidelines have changed dramatically from the past. Wondering how much you qualify for? Curious about down payments or interest rates? We can have a lender pre-qualify you with no obligation so that once you are ready to shop for your new home you will be prepared.

I look forward to helping you!
